### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. F. LoPinto on 12/14/06.

The application has been amended as follows:

#### **In the Claims:**

Claims 17 and 18 are canceled.

2. The following is an examiner's statement of reasons for allowance: Claims 1-16 are considered allowable over the prior art because none of the references of record alone or in combination suggest, disclose, or teach a method of encoding and decoding a data file in a sequence of video frames comprising the steps of creating a first sequence of data packets; partitioning the sequence of bits; associating each respective block; copying each block into the user data field; creating a metadata packet; encoding information; creating a second sequence of data packets; associating each data packet; partitioning each data packet; creating a sequence of binary numbers; allocating respective regions of the respective video frame to each number in the sequence of binary numbers; assigning video component levels associated with each binary number to each region; and outputting each video frame all together as claimed. The closest prior art, Keery et al (6,008,857), discloses a conventional data file encoding method,

either singularly or in combination, fails to anticipate or render the above limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Y. Lee whose telephone number is (571) 272-7334. The examiner can normally be reached on (571) 272-7334.
